PROFESSIONAL SUMMARY

A Final-year Electrical Engineering student specializing in Power Engineering, proficient in Java, SQL, and data structures. Eager to apply my technical skills in software development, problem-solving, and innovative solutions.

EDUCATION

- **B.E - Electrical and Electronics Engineering** | *2021 – Present* | CGPA - ***9.14**
  Velalar College of Engineering and Technology, Erode.
- **HSC** | *2020 - 2021* | Percentage - ***88.9***
  Bannari Amman Vidya Niketan Matric Hr. Sec. School, Erode.
- **SSLC** | *2018 - 2019* | Percentage - ***87.80***
  Bannari Amman Vidya Niketan Matric Hr. Sec. School, Erode.

PROJECTS

- IoT-based Voice Bot for Humanoid Robot (Python - 35%)
- Android Application for controlling IoT (Android Development - 65%,API Integration,UI/UX - 20%)
- SafeGuard: Intelligent Earthing Alert System (Data Communication - 50%)

SKILLS

- Programming Languages :
  - Java (Intermediate)
  - Python (Familar)
- Frameworks :
  - HTML & CSS (Intermediate)
- Tools :
  - AutoCAD Electrical
  - Git
  - Excel
- Databases :
  - SQL (Intermediate)

CERTIFICATIONS

- The Joy of Computing Using Python (NPTEL, April 2024)
- Introduction to IoT (NPTEL, April 2024)
- AI Design Challenges (-VOIS, April 2023)
- Java Programming (May 2023)
- Power Python (Ludifu, July 2023)

LEADERSHIP & ENGAGEMENT

- NSS Senior Volunteer (2023 - Present)
- Executive member in EMERFLUX association (2022 -2023)
- Active member of Rotaract club (2021 - 2022)
- Class Representative (2021-Present)

EXTRACURRICULAR PURSUITS

- Canva
- Dedicated to holistic wellness
- People-centric activities
